Street art / art in public spaces

Program details at: <http://www.kiam.co.at/index.php/urban-art>

From 5 July to 16 July URBAN ART Solo Projects create individual projects by artists.

On 17./18. 7. the URBAN ART Festival takes place with audience participation.

We invite you to implement your project in these two periods.

### What we can do for you to make you part of the festival is to...

- ✓ provide you with the necessary space (wall, street, cube) for your project,
- ✓ advise them in terms of content and methodology,
- ✓ document the project in a catalog.

### What you have to do to become part of the festival is to ...

- ✓ develop a project in street painting or graffiti or street art.
- ✓ mail the registration including the project description to us by the **end of May** (newsletter@kiam.co.at).
- ✓ We will contact you.
- ✓ carry out the project independently. We are by your side.
