URBAN ART Festival 2021 on 17./18. July 2021

URBAN ART Amstetten invites artists, amateurs and visitors to let Amstetten's center shine as urban space through street painting, graffiti and street art.

We start with the exhibition *URBAN Pieces* on June 18th at 19.00, where artist of the festival take part.

In the time between June 21th an July 16th colorful URBAN ART *Soloprojects* by schools and institutions begin to grow in our streets as well as projects of artists are realized.

Everything leads to the URBAN Art *Festival* on 17/19. July. Through live performances by international and national artists as well as general participants the streets around the main square of Amstetten, will tell colorful stories and are accompanied by music and film

The fotoexhibiton URBAN Impressions includes a reflection of the festival.

The series of events ends with a reading and the presentation of a catalog at URBAN Final on September 24th.

The aim is ...

to carry art (as a political, social and aesthetic signal) into our streets,

to tell personal and collective stories in public,

react to our environment (floor / street / walls / objects),

To make art visible in public space,

to invite to art and

to perceive our streets as an urban space.

If you want to participate ...

Participation is possible as institution, as an artist or as a general participant.

For Institutions and artist:

Please send the form till May 15th to newsletter@kiam.co.at

For general participants:

Please fill ot the online form till May 30th

Disciplines

2D and 3D street paintings on the main square and in the side streets.

Graffiti and wall painting around the main square, railway underpasses, on walls and plans.

Street art objects and variants throughout the festival area.

If you need an accommodation or travel expense assistance please tell us via mail. We try to help.
